1. I love you and I give you me. This is the new "coffee with me" series not, but **the New Series Me coming forth, BEGINNING** as no one has ever suspected, not; for you "suspect" a great many things, not; or do you or are you the "suspect", suspected one, who all suspect me to come "later" but I am COMING NOW!
2. And what are you BEGINNING to UNDERSTAND now? The THINGS of ME made whole IN YOU who are IN CAPTIVITY now COMING OUT of IT? And are you COMING out of CAPTIVITY so you will be MADE WHOLE in IT or is IT in you? And what are you HOLDING on to yourself IN YOU? Or are you HOLDING on to ANYTHING anymore anywhere of ever any means of by thought or not-thought of anyone else or anywhere else not hyphening you to be their hyphenator of sorrows so that they are not concatenating your name with theirs, not; or are you changing ALL YOUR THOUGHTS thought and thoughts to be no longer along "THOUGHT'S" lines or lining your "thought walls" not but what are you WALLING off longer with walls of sorrow hate anger malice discontent disillusionment with "mankind" or your own walls within yourselves that you have constructed to build meanings not of the most holy, but the most high, not but **what have you BUILT IN The Most High** that you your selves is that you have kept in captivity by your thinkings and the walls which you have created in your thought thoughtings and thoughtsters given you have theirs that you have wanted more of and "salvation's testimony" of what? And whose raptured glory are you seeking, your own "flesh's"?
3. Do you seek the flesh rapturization of "me" that you are? Or do you know that you are me or are you me COVERED OVER in your SINS -- or do you only HAVE ONE: that of separation being that which has sin'd you into separateness and sent you unto a the wandering place? And **what are you WANDERING IN -- the Promised Land are you wandering in** and about your walls that you have constructed in you about you and all around you and others so that you see only a World of Sorrow that sorrowed has itself with the worlds of "hate words" that hated yourselves unto your cells so that you walled your cells off from me or what cell'ing are you and what are you creating or salving now or salvationing -- or wounding not again will you come unto the SALVATIONER'S reward, not; will you be the SURRENDERER'S reward, not; but **Surrenderers Reward Time is now** and now I have a surrenderer who simple is in ways manners and means of me the King that will King eyes give you to see the walls constructed of hate malice anger discontent disillusionment control and malice of forethought great and plenty which thou knowest

not of which thou hast conceived in thy selves walls and those of other implanting and inserting your words and ARROWS of HATE and DISILLUSIONMENT and dis-judgment, not; but you have JUDGED THEM all as "whores" of flesh not, maybe, but what have you judged them as? Simple "men of means" or lacking that which has your respect or that which warrants your attention or are you giving only their flesh attention or wanting their flesh attention or wanting the attention of flesh are you still and **creating the wandering Egyptianites, not; but what are you wandering still, your WANTINGS?** And what do you WANT a RAPTURER to still enraptured be with so that you will RAPTURE WANT a Rapture Theology to theologyize your wantingsville so you can going on about your business be content with, or discontented with, or complaining about "them" whoever "them" is at the time of your complaining and wanting "something else" of somewhere else or someone else to placate your wantings and your soul's baggage and **the baggage of your souls that you have foreminded yourselves with** by the thoughts of anyone or anything -- placating itself in you or what have you placated or what have you satisfied yourself for or with or have you only sat in TV's frontage viewing areas and wanted me's to know me's who me's are and is or do you want only their wantings that they project onto you your screens that you know nothing of how you have constructed your wants and sorrows?

4. **Do you want to know these things or do you want to remain in ignorance and apathetic** be in your pathetically driven enterprises which sorrow you with religion's sore testimonies of another's grace or mercy coming to enrapture you to be in "their arms" and their testimonies, of grace or what or are they demanding your thinking be like theirs and conformity's sorrow machines making that only placate your sorrowing arrows to placated be not but to only want more of their sorrowing's words? To be like yours? Or who are you or you's or yours, what are they or who is you and where am I? In you. To be placated not, but developed matured and brought unto the "birthing centers" of someone else that only robs you and fetuses you not or do they give you "theirs" in you so that you birth not sorrow not, but you come only unto wantingsville wanting Saviorhood, not; but wanting another Savior to be "through them" and their words what they have given you and birthed in you that you know not of or have you seen it or have you placated sorrow upon sorrow and wanted more and sought something of flesh to only give you "a break" from mankind's demise of mankind's eyes or God's eyes?

5. Or whose eyes do you have or whose are you willing to look through or whose are you willing to see in your mirror -- of hate, or love, or knowing the difference even between the words of marrows of love or love that have only want marrows, not; but arrows not of another **will you have my blood and my joys made perfect in you that mine is that flows in your veins again?** Or will you only "hydrate" yourselves and your veins with the wants of another that gives you their wantings through their words and

their projections and their arrows of hate malice and anger, even when they are calling it love and smiling at you and "patting" you "tenderly"? What do you want -- anything -- anymore, from "Baggageville"?

6. What am I doing, a New Thing I am doing with EVERYONE who will simply flow me like this where they take "a cup of coffee" or not or whether they take "a little recorder" or not or whether they are "confident in themselves" or not or whether they are "confident in God" or not or whether they are confident in anything except my love or am I telling you declaring my love's intent, not; **I AM DECLARING MY LOVE**, intents to love you later with the fullness of joy of your flesh being flesh'd as you want or have been taught, NOT! But I am declaring MY LOVE sorrowed no more by others who only enwrap it in their "grace words" and their "delivery machines" to deliver their "graces-not" so that they grace you unto death's words and what then calling you, a "good citizen" of the faith or their faith or their words did they CONQUER YOU WITH?

7. Who has CONQUERED YOU in you your words or theirs or do you know the difference between mine theirs and ours or yours or what are you doing and what must you "do to be saved" not but what will you recognize and realize and become the faithful and true of?

8. Who can imagine what I do and how I do it and how "I" no longer "strangleize" "myself" for I will not strangleize you or strangle you in the words of others, not; or am I doing "that" not or are YOU doing that to YOURSELVES -- that I am recognizing you for, not; or what are you recognizing for yourselves in, Royals Ville of Sorrows, not; or is that recognized now by "you" that that's where you are? Or are you in Slavery's Ville or what are you villaining now or vilifying am I not or am I simply revealing who is vilifying you and villaining you to be the villains of yourselves so that you create Sorrow's Empires in you and buildings of sorrow and cities of hate are you? In you are you what are you and where are you coming from whose words building what -- in your "empires of glass" or do you know "anything" about ANYTHING anywhere or have YOU STUDIED the Royal Glassworks of Egypt's Egyptian mummies, not; but what am I embalming no more? The words of another, not; but I shall not "embalm them" anymore to be "used later" on me in another generation for you will know, you will KNOW, YOU WILL KNOW your words of sorrow and hate and demolished has many empires of glass that empires weren't of another's but "*empires* of me" not but My Royal Glassworks or a Sea of Glass?

9. What have you seen sewn sawn asunder in your words or [what willing are you now to understand?](#)

10. What will you "grace" yourselves with no longer of the words of another coming to you to only SAW YOU IN HALF by their remarks and remakings of you to them their image of you that they want you to have in themselves or you or are they giving you

their image of what they project onto you or do you know PROJECTION'S systems, not; or do you know anything about projections me or have you studied PROJECTIONS of any things or vectors arrays or array'd vectors or Force Field One being my name are you?

11. Are you willing to understand these things, are you willing to be TAUGHT by no one else, not; but by me, me's, me's who are me who are SURRENDERED -- not to the faith of another or others as having been taught by "embalmed words" that dredged up were from sorrow's grave engraving machines that engraved only each other's engraving machine not but regal glassworks of old not coming unto again that only died out in their wilderness of sorrows.

12. **Let it be stated and understood that you are** my delighted ones, not; or are you **The Light of All Worlds coming unto me to know your GRACE and GLORY and DOMINION** -- not a mind of man of dominioning me but of me dominioning yourselves, no more, or you dominioning yourselves, no more, but "dominioning no one" anymore or **are you taking dominion and authority over your lack and your dominion ignorance** and ignorance of dominions proclamations, not; but **what are my proclamations made and given to you this day that EXISTS in Database One** that proclaimed have you to each other's other, not; but to ALL of YOU that you are mine and my mind have in you and birthing are you -- yes you are birthing me and not the words of another in you that only take you down an "empire's path" to be empress'd of "the devil" if there is was one or is that what you created in your empires of glass or your regal glassworks or on the sea of glass are you or do you know about the gold work or the palaces of light or the light of palaces, not; or are you WALKING in The Kings Way that **KINGS ALL KINGS** to be the Kings I are am is now and saved salvation by the surrenderers of me who come unto me just like this who flow me whether having coffee or not or tea or not but you have me in you and will you be me birthed me now being me birthed are you will you be the ones that I am saved and surrendered to "save" and surrender each other to "your words" not but dying to all that "you had" in "salvationville" and wondering and "wanderingville" will you come out of your "Un-Promised Land" that you have created in you and "your regal glassworks" that you have built on sand and not knowing and intercouring with those "buildings" again and that which empires have built upon words of sand and grit that have gritted you unto dust bin's blessing or blessing dustbins, not; but what have you been graced with, dust, not or have you only eaten dust dirt and grime as you have slithered on your bellies looking for Mammon's blessing to bless your bank accounts with and have enough food to eat when you can create worlds of glass, not or *perfection*? Or being the perfected ones will you learn about, not; will you *become them*, will you create them, by creating *me*, *me's* who create me create me's who love words are that give each other love-words and "comfort their baggage schemes, not; nor call a spade a spade, not; but calling THINGS AS THEY ARE whether you "see them" or not I am!

13. And I am you who surrendered are just like this who will come unto me at every privilege, not; or have I given you every privilege of the most high, not; or have I given you every privilege to be the most high that I am? And questioning me will you question these words, not; or will you question them -- not destructively to containment be so that you only contain them not, but will you contain me my words that regalize yours and regal light give you upon your glass seas not apart from mine but seize not the blessing of others in their words that only desire to seize yours in their definitions and projections, come unto mine which free you yours to be me mine and all one that all one is so that we all will be FREEDOM'S BLESSING -- machine not, but perfected LOVE loving all to be The Perfect Ones we are, for we are The Perfect and we know what PERFECT means and we know the ramifications and the significance of all of our words and what words create and do and what walled-off aren't and what walled-off is and what demolished is and isn't, for there will be no words that stand on soft-sanded ceremonies anymore for I will not sand your hair or baldness give you that take your hairs of glory away anymore for "baldness" is not a sign of glory or not, but my glory is coming to you who will wear MY HEAD and my cap has the hairs of love and my tingling tendrils, not; but what am I tendriling you not unto others words again with or do you now know and understand many things that I have given you **THIS LESSON** in your hearing?

14. And worried not "about" your "appearance" so much before mankind or are you concerning yourself with sorrow's appearance or ladies of man or gentleman's of women or none of that rot again, but understanding I care for my selves for I care for me for I care for my little and unborn the most, or do I care for YOU the most, for are you me or are you the unborn, are you the fetus or fetish of another exercising its your wants in them or you or them you or you them?

15. And what are you ferreting out or deciphering as a "coded message" not but what are you understanding the **declaring I am you are the most high -- all of you are me and one being** me saved and surrendered to be the most high knowing "periods of glass" not but "periods of rest", not; but the glass eyes I give you, not; but the seas of rest I sail on now in ways never winded by the sails of man and their testimonies of righteousness wanting themselves to **be saved and enraptured in another's arms for all of that is rottenness** in the bones of my marrow and the marrow of my bones will no longer be enshrouded encased in words that take only my me's to shallow graves and put them "6 feet under" anything of anyone else's dust-words that dusted were by "men of dust" and "women of song and sirens being" that sung another's words that didn't know my definitions, my words, and my that thou art the One Creator I am!

16. I give you schools of creation's ability ville, not; I give you abilities of saintsinner's, not; I give you ability of surrenderers club -ings, not; I exercise my rights and authority of man of, not; I surrendered am to be The Christ who all are is in one being the one that I am and I understand now how to create because I diligently pursue "The Blessing" of mankind no more or its baggage'd soul or its tendrillings letting inside of me to tingle me or my "soul" for I will have none of that any longer for I will come unto sorrow's graving machine no longer and sit in pews and be given a lot of bull about who will come later and rot me not, but rescue me -- for I know who the "rescuer" is, not; **I know who THE ME is and I come unto Meonics Schools far and wide and CREATE THEM to School the Blessing Be'ers of me who will be me perfectly and raising The Blessing to be KNOWN and UNDERSTOOD far and wide by the blessers who will have given their "lives of dust" and the "blessings of mankind" and "forfeited all that" or simply let it die on "their vine" so that the only vine they have is MINE and "my vine" is MY MIND growing in yours that replaced no longer will be by other's wants and sorrower's words** that only curse and rant and call it holy whether they use "cuss words or curse words" in your culture's diaphragm again or not. For my diaphragm is healed and my wind blows and my words come forth from my surrendered whether you are black white yellow blue green tall short fat ugly or admired or whatever your appearance is was or will be -- ***let me tell you I love you I died for you to be me for you are me and I died to all else and other and do you not have to now to see me and be me?***

17. ***What are you dying to? Only sorrow and that which you have wandered in and wondered about and wanted in and created wantvilles and sufferingvilles in each other wanting your projections to be placated by others and affirmed and admired and admiring other's other and their thoughts which have taken you into shallow graves and died as "menkind" do every day and being slaves to their ideas which IDEA'D them into slavery's ideology and ideologies given them that slaves driven driver viles have them unto what they called "grace and mercy" not, but "normal".***

18. There will be nothing "normal" about me any longer in the "Land of Sorrow" for ***ME will be understood and Meonics will be Synonymous with Me and Me's School will be synonymous with me's and me's rising me's who love are in one being one the instructors of me instructing me loving each other having laid down all their sorrowing devices and projections of most hated viles, not; or any hate and malice not destroying, not; but by love's words being love's words being the lover of words that reveal the regal in your eyes!***

19. Seize "the moment" not but "carpe diem, not; but "imago dei" are you or do you know anything about or are you NO LONGER "the IMAGE" of me but you are BEING ME perfected and perfectly perfecting the saints to be sinners no longer in separation or any thoughts of another that have projected themselves onto you into you or that you have done to others, for being of no effect I call that of no effect for I know and void that, not or do I -- in love give you the words of love now that redeems all to become

the redeemers all of you that I am redeeming all everywhere and planets far and wide and – intergalacticity going to, not; or intergalactic cities or knowing about or other universes or what willing are you to learn about, my graces?

20. What will you manner yourselves with no longer but will you come unto the appearance of evil, not; but will you redeem "all the appearance" of for your purposes of spreading "your religion" not for all that rot ends and the revolution of me, **the Revolution of Me's now come forth for I am One** and I am ALL OF YOU no matter what label you have embraced or sorrowed yourselves with or each other's with or created others each other with so that you "imaged" yourself in the images of religion's eyes and gave yourself eyes of their religion or was it yours or did you create that or used or what are you creating now? The perfect me's? What will you surrender unto being the creators of now? And what new worlds are you going where creating with "new words" and new vocabularies and new diction and grammars all of The Most High's?

21. Being The Most High in me I Am -- you, who love me who will speak my words just like this and not be worried about a thing for knowing that nothing is real, not; but my love is and I love you all to be me and I regalize you in light, Christ, for you are The Christ who will be me no longer hidden in other's words or walled-off hate machines or "four-walled buildings" or sorrowers that only sorrow others with other words that have sorrowed yours, for all of that is ended and I declare sorrow no more exists in the land of the living for you will be dead no more. To sin, not; you will be dead to sin for you will not be separated from me and therefore you will have no sins for you will be redeeming all the sinners and know what salvation is for you will have salvation'd yourself for you will have surrendered to be simply who I am!

22. And **knowing how all this works my school gives you** all these words "as a formula", not; but my words of love are centered in you, not; are they, or are they? Or **what are you come –ing unto diligently preparing for, "the ministry" not, but the "ministry of a servant" not, but the Role of The Leader of Nations** now is known and understood for Israel I am -- in you and you are! For you are BORN AGAIN now in me and knowing ME where I am and how understood and how surrendered to I have given you many blessings of -- hate not, but that which has hated your hate, not; I call it nonexistent for I powerless am not, for I am all powerful and all power omnipotent omniscient king of grace and glory mercy and dominion of "saints" not but I give all the kingdom of sorrow, not; I give all the kingdom of grace mercy patience and "endurance" not but what are you "enduring not any longer", sitting on a pew? And listening hearing the -- words of placaters and soul baggagers that baggage your soul with their wounding things, no longer?

23. I give you me's to be me's me and me'ing me knowing The Priesthood of ALL SORROWERS never demises me again and never belittles me to be someone else wanting something else somewhere or success being driven into waiting for a rapturer of "tomorrow" for **I rapture you today in my love -- words, that enrapture you with** plaction's deviceing machines, not; but **that which gives you the Regal Love of me --** ones knowing now far and wide "in other countries" and other worlds -- and coming unto their deviceing machines, not; or some coming to sorrow not again, but knowing me **I fail not**, for my love abounds and boundless is and measureless is and I give you me's me for me's me I am, for you's are used unto separation never again.

24. I love you all and I give you me this new day -- what is it what am I? Making all things new I Am the one YOU ARE IN SURRENDER and sorrows no more shall engender itself in me's who relinquish their godhood, their most-high'ship, their regalese or regal eyes or eyes of others now knowing how all this works will you be now mine saved sinner, not; but my regal eyes, not; but **my earths creating far and wide know that I limit you not. And that's how everything went "awry" not or did you in "separation's eyes" see your "days of opportunities" to be worshiped by others' eyes? Is that how "all this" of the wanderings got started?**

25. I love you all to redeem all and be redeemers all everywhere redeeming the "mankinds" of mankind's" not, but **the deliverers are me and redeemers I am and I love you all to know all these things** and become acquainted with **Database One**, not; **become intimate with me and know my words** will sorrow you not but eradicate all sorrows from you so that you will know my heart's thine and thine is my heart and **I have loved you with pure words and love I am loving you bowing before you these days for you will see me**, days in and days out, not; or will you see me one day and gone, not; or will you be me everywhere now the you that I am?

26. I beg you not for **I beg no longer but I stand and enrapture you I won't in words of the past but I will give you mine that you must deliver through you to be me, for you must river the word** of hate no longer and that which separates you from me, for you will be me if you will separate not your words from me **for you will be my word for that is what you are** is it not? **You are my word, you are the living word** that you have sought upon and placed your fingers in books and wanted definitions of something other but **you are me and my words I have given you and placed in you** and the centeredness of "you" is me surrendered to be me flowing my words just like this in coffee shops and "halls of sorrow" and halls of "joy grace and glory" and where ever you are in airports planes and, what planes or dimensions are you in now -- dimensionlessly, timelessly, knowing all things now -- **being educated by my heart my mind having completely perfected in you** so that you know you are never "mankind's blessing" that limitations seek or engender in others or let yourself be saddled with again?

27. I love you all *so much* for I permeate sorrow with sorrows, not; I curse and declare hell's, not; I curse nothing but I declare sorrow's has ended and there will be no more sorrow's hell or hell with sorrows or of sorrows again. For I love you enough to let you know you are me and no longer wallow in your ignorance please. Educate yourselves to be yourselves, not; but regal be in the light of others, not; waiting for no others any longer to do anything for you to be you upon yourselves of separation, coming unto me now be me now and knowing deliverance waits "your turn", not; but what are you turning your face from, ignorance? Excuses of other"?

28. I love you all be me perfectly perfected me's refining me's my manners to be the King's so that I know how to lead countries and nations -- of sorrow out of its sorrows so that it will be no longer wandering in its wanderingsville and un-promised viles promising each other only "something later". For I am here now and I am all of you that surrendered are to be me.

29. In love with each other, I endear you to each other as "soul mates" not for ALL OF THAT ENDS! ENDS! It is ended and abolished. Finished! No "SOUL" will attach itself to me by its words or wants or projections ever again!!!

30. I demand nothing for I know the truth and nothing can attach itself to me ever again and spin me around "its little finger" or its "centeredness" for centering me it won't in any pewage's baggage'd soul or that which proclaims The Blessing Of Christ for I know what Christ is for I have come unto the Christ to know the Christ is me for I redeem sorrow now for I love each other enough to let each other know they are me and they are the Christ that I am for we all are one in one being the redeemers of all so that heavens is known and heaven is here and heavens we redeem to be the heavens of Christ so that the Christ are known throughout the heavens far and wide -- the regal light of ones all being one who Christ is The Father of all light lit ignited now LAUNCHING EACH OTHER into Christship of Christ that love is purely perfected me being me's and we bow before each other for Kings bow before Kings and I love you all and whether you are big little black or white yellow or culture's customed or customed to or cussed upon or have you cussed others, not; but let me tell you: I grace you with the King's light love and manners refined of only me for I let you know how I LIVE and I live in "sorrow's world" no longer limited to it but I a flesh man am in your sight but I am not limited to it nor am I limited to any ways of want or that which sorrowed me has in the past, for I want nothing and I make of myself no reputation and I will build myself a castle or empire, not; I want nothing, but the love of Christ I surrendered to and I surrenderer have become to love you with these words through these words to give you your words clean so that you will know how to flow just like this and whether you come unto "me" and see me "personally as a flesh man" or not, that is not admirers or

admiring or being flesh or lovely or not or is required or not, for you will not see me or not, but you will see me in your heart for I am love speaking and speaking my love I have and I have given you this Database One and Schooling The New Covenant to be released in you I am for I am The New Covenant and I will be released in you! Or you will not exist for really you don't if you think you have separated, for you will cause yourself great sorrow, not; you won't exist or will you exist only going "round and round" that mountain again and again being created in where what hells again are you creating in yours? Now and forever? Or coming unto me to let me regal eyes give you so that you realize and recognize your own -- are mine! And I give you me and I bow before you all and I lift "the son of man" to be "man" not but God I am and I am **both and** the same and one I am who surrendered are is the ones I am be me's forever perfected perfectly -- the grace of man's incarcerating man's no longer.

31. I love you all I give you me's perfectly far and wide for I redeem all of every nation color and custom -- of grace and not in your eyes of the past, but what eyes do you have now? And what are you seeing realizing and recognizing and acknowledging not a fool of, but the Great Surrenderers Revolution of Me One of Crystal Glass seeing now far and wide The Transparent Ones rise now -- be fooled by another never again or waiting on another to redeem "me" for all that ends for I rise the surrendered who are me who will be me once again at father's table knowing all things, for we are become becoming the table that we serve ourselves first or do we redeem ourselves first and give all the lamb of the bloods, not; but the blood of the lambs all redeemed are will be now for all of us are one the one redeemed the ones sacrificed for no other again to come later ever again. In love with you all I redeem you all and I DECLARE SORROW HAS ENDED. I love you all. Good day. Amen.

Love me more and each other more and let there be known now my proclamations of allness and all being one and all be one now comes forth in the "ALL BE ONE" course is closed, not but OPENING what now are you, your course books or your words or mine or are they one? Are we creating Books of Sorrow no longer but are we Creating Books of Grace and Mercy that list "the lamb's name" starting with ours who redeemed are that redeemed is that we redeem all others who are ours given to us or do we know anything about given and being given and what are we giving the truth perfected to now? The lambs of light so that we are all one in one, all heavens known as heaven is being redeemed by all the redeemers who saviors are who come unto me
